B. Workshop Items

- 1) Cape Community Arena Group- Discussion of Gull Crest Project - Cape Community Arena Group (CCAG) representatives will present the plans for a permanent open-air ice arena adjacent to the Gull Crest fields. The project design will be reviewed by the Planning Board in the coming months. CCAG and

the Town Council will need to establish a construction and operation agreement before the project moves from Planning Board approval to construction.

- 2) Communication Policy Discussion - The Town has made great strides in the last few years to increase the information sharing and engagement of our citizenry through the use of technology and hiring of a full-time Communication Coordinator. The Council has not adopted changes to a communication strategy or policy since 2010. Tonight's workshop discussion, and review of the recent Flashvote citizen survey, will help the staff and Council draft a communication policy that addresses the current expectations of the community.
