Why did you choose the board(s) or committee(s) listed above?:

I chose the library because I love libraries and ours in particular. I have frequented the library for the last 8 years I've lived here, specifically children's programming but also to borrow books and movies. The conservation committee is interesting to me, as I believe in conservation and I work in the outdoor industry so I have some ideas of what is happening locally and nationally regarding recreation and the outdoors. The community services committee is also interesting to me. My family uses community services a lot and I think it is a unique and valuable resource we have in town.

What talents/skills do you feel you would bring to this position?:

I am an organized and knowledgeable individual. I value a public library as a huge resource to it's patrons. My husband and I have two children and therefore I have a perspective on the library as a resource for families. I am a strong written and verbal communicator. I also work in the outdoor industry and am familiar with programs and trends that are taking place in Maine and nationally to preserve space for outdoor recreation.

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?:

Currently I work with: Restore the Floor- a community organization focused on perinatal health- 4 years A Legislative Gun Safety Working Group with Senator Anne Carney-4 months In the past I have done volunteer work with: The Special Olympics of Georgia

A new submission has been received for Application for Boards and Committees at 10/28/2022 10:29 PM

Date: October 28, 2022

Committee Choices:

Committee #1: Board of Zoning Appeals

Committee #2:

Committee #3:

Name: Doreen Blanc Rockstrom

Address: 5 Warbler Drive Cape Elizabeth, ME 04107

Email Address:

Telephone Numbers:

Home:

Is your home phone unlisted?: No

Cell:

Work:

Occupation: Consultant - Grant Application Coaching; Education Partnerships with Business

Employer: 2 Enable Access, LLC

Why did you choose the board(s) or committee(s) listed above?:

I am concerned about the future of Cape Elizabeth. I am prepared to enforce building code regulations and ordinances, I'm experienced with permitting systems, and want to learn more about current short-term rental ordinances. However, I believe that some of the zoning ordinances need to change to assure a more diverse and welcoming community, especially in regard to available and affordable housing. I am prepared to participate in judging decisions allowing homeowners, businesses, and renters a more fair and equitable resolution to current problems they bring to the Board. I would expect to work in partnership with the Planning Board and Township Committee on options for desirable businesses to locate in Cape Elizabeth, thereby expanding the tax base.

What talents/skills do you feel you would bring to this position?:

I have experience with Zoning Appeals. Before moving to Cape Elizabeth nearly 6 years ago, I served as a member for 4 years of the Zoning Board of Appeals in Princeton, NJ. During my tenure, our board successfully dealt with developers challenges who viewed Princeton as a perfect setting for residential expansion. I feel ready to address such continued developer entry into Cape Elizabeth. Before leaving New Jersey for Maine, I was employed full-time for 3 years as Executive Director of Raritan Valley Habitat for Humanity where I and my staff were responsible for funding and building affordable housing for qualified families in two of the most expensive counties in New Jersey - and in the United States - Somerset and Hunterdon. These roles required my negotiation and public speaking skills, my analytical abilities, and my capabilities to partner with fellow board members and other municipal agencies. I am not an attorney, but have an earned doctorate degree, and can read and positively respond to technical and legal documents after studying them.

What municipal boards, volunteer organizations or community service groups

Since coming to Maine I have been a member for the past 5 years of the Board of Trustees of the Sebago-Long Lake Music Festival, Harrison, ME, and have taken responsibility for bringing live classical music, without charge, to independent living

have you worked with in the past and for what length of time?:

and assisted care facilities in Western and coastal Maine as "healing concerts." I have been a member for 5 years of the Rotary Club of Portland, ME, and serve on the Program Committee and the Recovery Committee (working with people suffering from SUD-Opioid Addiction, return to work). I wrote and helped to successfully implement the first grant to train Recovery Coaches in the state of Maine. This critical strategy has been replicated statewide by many hospitals, recovery centers, and other non-profit organizations. I have served for 3 years on the Reserve Committee of the Condominium Association where I reside here in Cape Elizabeth.

Are you employed by the Town of Cape Elizabeth or the Cape Elizabeth School Department?:

No

Why did you choose the board(s) or committee(s) listed above?: The Recycling Committee is the town function I have the most familiarity with. After many years of business travel, which has been permanently curtailed due to the pandemic, I'm eager to find a way to connect and contribute to our community.
What talents/skills do you feel you would bring to this position?: My engineering background coupled with extensive financial experience should prove to be useful to the committee. Many years of management and collaborative teaming have helped me become someone people find easy to work with.
What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?: Most of my prior community service revolved around my kids activities. Coaching softball, volunteering with Little League and Pop Warner are examples. As mentioned before, my extensive business travel ruled out being available here at home on weeknights.

Occupation: Consultant

Employer: CohnReznick, LLP

Why did you choose the board(s) or committee(s) listed above?:

I have 20 years of experience at the intersection of community development and financial services. My career has been dedicated to understanding, leveraging and promoting community investment strategies that deliver financial and social impacts and reflect public policy best practices. I have led a nonprofit of bank members who engage with community partners to discuss disparities in lending practices and the racial wealth gap. I currently advise banks and insurance companies on investments in affordable housing. My family and I are very robust users of the library who make multiple visits a week and engage in programming. I also worked for 1.5 years at the MIT Media Lab as Community Outreach Coordinator for the Civic Media lab, which is now defunct. We were tasked by the Knight Foundation to think about how in a post-newspaper society, our communities and citizenry will remain informed, engaged in civil discourse, and compelled to uphold democratic values. Thinking about the future of libraries was essential to that work. I commend TML for all that it does and would like to more activity support its efforts. Lastly, my father's career was in municipal government. He recently retired as the assistant town manager in Augusta. I worked at the City of South Portland in the finance department through high school and college. I very much appreciate the role these committees play in informing municipal governance.

What talents/skills do you feel you would bring to this position?:

I believe I would bring skills in group facilitation, community outreach, data/research, finance/budgeting, and grant writing. I bring familiarity with issues such as leading disparities, racial wealth gap, Community Reinvestment Act, affordable housing, community development, and civic media, but also private equity, banking regulations, commercial real estate development and finance, and municipal governance. I have a professional network that is locally, regionally, and nationally based throughout the private, nonprofit, public and academic sectors.

Occupation: retired/part time consultant to former company

Employer: Parallel Wireless

Why did you choose the board(s) or committee(s) listed above?:

I am extremely interested in the growth of Cape Elizabeth and would love to participate in planning and managing that growth. That's why I would like to join the Board of Zoning Appeals. I also believe the local library serves as an important community hub and would like to contribute to its efforts of connecting people with information and other people. That's why my second choice would be the Thomas Library committee.

What talents/skills do you feel you would bring to this position?:

My past living situations range from military housing to rural and urban apartments with and without roommates, suburban condo, rural single family home, and suburban family home. I believe I can understand housing and land use needs for a community when considering zoning laws and variances. My data-based, fact-driven high tech work background serves me well when assessing data. In my job, successfully working with different departments such as Engineering, Customer Support, Quality Assurance and so on is key to producing the best results. If you do not understand, respect, and collaborate with each other, the results will suffer. As a life-long reader and former Comparative Lit major, I feel a robust library is the cornerstone of the community.

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?:

Board of Directors for my condo development in Hampstead NH for a two-year term.
Conservation Committee in New Ipswich NH for a two-year term.

Are you employed by the Town of Cape Elizabeth or the Cape Elizabeth School Department?:

No

Diana Chapman

I returned to Parallel Wireless on a part-time basis in August 2022 to help them rebuild the Technical Publications group.

Work History

2020-06 -
2021-05

Technical Publications Consultant

Parallel Wireless, Nashua, NH

- Scoped, planned, and implemented transition of six-person group to DITA XML-based authoring from FrameMaker, Microsoft Word, and MadCap Flare. Set goals and created staged timeline for transition.
- Evaluated authoring, conversion, and Content Component Management System (CCMS) tools. Created trials, made recommendations, and trained group members.
- Performed content analysis of legacy content to create a reuse strategy and the XML information Model.
- Worked with chosen CCMS vendor to setup database structure, branching, source control and reuse strategies.
- Worked one-on-one with group members to analyze content, prepare for conversion, and port content into CCMS.

2016-05 -
2020-06

Technical Publications Lead

Parallel Wireless, Nashua, NH

- Led technical writer group to author content for Parallel Wireless 2G, 3G, and 4G OpenRAN architecture solutions in a dynamic start-up environment. Assigned work tasks, set schedules, attended cross-functional project meetings, and ensured the group met deadlines.
- Authored content for solutions using DITA, FrameMaker, MadCap Flare, Microsoft Word, Visio, and Snagit. Content produced included OpenRAN technical feature descriptions, big data analytics tool guides, Command Line Interface provisioning reference guide, GUI-based provisioning guide, and release notes.
- Worked closely with Engineering, Quality Assurance, DevOps, and system test groups to ensure technical accuracy of content and to access the latest builds for hands-on use.
- Setup and managed Technical Publications pages on Confluence and setup and managed documentation bug tracking and project process in Jira.

- Planned, implemented, and maintained Technical Publications process for ISO.
- Coordinated information sharing with Marketing and Training groups to ensure continuity of information across groups and to reinforce information sharing.
- Solved problems. Big problems, little problems, all group problems.

2013-05 -
2016-06

Occupation: Head of Energy Marketplace Partnerships
Employer: Google

Why did you choose the board(s) or committee(s) listed above?:

I believe that my professional experiences will be useful to the Energy Committee and the Town Council in advancing our community energy efficiency, conservation, and sustainability goals. For the past 5 years, I've led new business development teams within Nest and now Google that are focused on accelerating the deployment of Nest smart thermostats as an energy efficiency and virtual power plant resource across North America. Prior to that, I spent 7 years with EnerNOC (now Enel X) focused on building demand response resources around the US, Europe, and Latin America. The through-line to all this work has been my focus on how we use new technologies to reduce our dependence on fossil fuels, and help to usher in a customer-centric clean energy future. I bring a unique lens on how we can deploy clean technologies at scale through public-private partnerships across electric/gas utilities, regulators, state governments, technology companies, businesses, and consumers. I'm most interested in the Energy Committee because I believe that it represents the best opportunity today for me to leverage my professional experiences on behalf of the town that I love. I grew up in Cape Elizabeth, attended Pond Cove, CEMS, and graduated from CEHS in 1999. I went on to Princeton University and then embarked on a career at the nexus of start ups, clean energy technology, and new market development, including earning an MBA from London Business School in 2010. I moved back home to Cape in 2017 to raise a family while continuing this work. There is so much promise at the moment with new technologies and new funding mechanisms, like the Inflation Reduction Act, coming online. But there are still so many challenges that we have to solve across rising costs, energy insecurity, and our urgent need to decarbonize faster. Whether as a new member of this Energy Committee, or in some other capacity, I'd love to help our town in whatever way I can as we navigate this pivotal moment in our clean energy transition. Please see my LinkedIn profile for more professional experience: <https://www.linkedin.com/in/vincefaherty>

What talents/skills do you feel 1) Sector experience: I have 15 years of experience in clean energy, with over 10 of

you would bring to this position?:

those years focused specifically on energy efficiency technologies for homes and businesses. I understand the space, the players, the opportunities, and the challenges. 2) Negotiation: As a leader of sales teams at both Google Nest (5 years) and EnerNOC (7 years), I have direct experience originating, selling, and negotiating multi-million dollar new business opportunities with clean energy technologies, especially with energy efficiency and demand response resources. I believe that I can help the Energy Committee by putting this experience to use on behalf of the town, bringing that "other side of the table" perspective to help evaluate different proposals for new energy services and technologies that come before the Town Council. 3) Marketing: Much of my experience with Google Nest centers on deploying effective strategies and messages to engage individuals to take actions that promote energy efficiency. I believe that I can use these skills to help support the Energy Committee's goal of public education, especially in connecting Cape Elizabeth residents and businesses to the many programs, technologies, and incentives that are on offer from EfficiencyMaine and CMP. 4) Public-Private Partnerships: Much of my current work with Google Nest centers on how we can marry multiple objectives across stakeholders, such as reducing the energy cost burden for individuals while helping utilities achieve their demand-side management goals, all while helping reduce local, regional, national, and international carbon emissions. I believe that this perspective will be particularly beneficial to the Energy Committee as implementation of the Inflation Reduction Act begins in earnest in 2023. There is tremendous opportunity but also tremendous complexity with the IRA, and I believe that I can play a unique role in helping our town both to access IRA funds that come down via the state energy office and also to educate our residents on the many new incentives that will be available to them. This is a historic moment for Cape Elizabeth to again be a leader in Maine, but only if we can effectively access and implement all the promise of the Inflation Reduction Act. Much of that will come down to simplifying this complexity for people, and I believe that I can help the Energy Committee and the Town Council do exactly that.

What municipal boards, volunteer organizations or community service groups have you worked with in the past and for what length of time?:

I've volunteered with Princeton-in-Asia, a non-profit with a similar mission to the Peace Corps, annually since 2003.

TOWN of CAPE ELIZABETH

STATEMENT of POLICY

APPOINTMENTS to STANDING BOARDS & COMMITTEES

Amended April 8, 2019

The Cape Elizabeth Town Council believes that its citizens are best served through a high degree of citizen participation in their government. One important opportunity for participation is through appointments to Town boards and committees. Our standing boards and committees perform many vital functions in providing for the public health, safety and welfare. As these functions are so important, it is advisable to have citizens serving on boards who have varied expertise and who represent a broad cross section of our community. It is also advisable to have turnover on boards to ensure as extensive participation as is possible and to encourage new ideas and new approaches to come forward. These views are the basis for the following statement of policy:

1. Only residents of the Town of Cape Elizabeth shall serve on standing or ad hoc boards and committees, or non-residents appointed by the council under special circumstances to ad hoc boards or committees.
2. The Appointments Committee shall annually advertise all expiring terms on standing boards and committees. The advertising shall include notice in the Cape Courier, on the Town's website and on the Town's Cable Access Station.
3. The Appointments Committee shall seek to meet with all prospective appointees in order to discuss special qualifications, expertise and interest of applicants. The Appointments Committee shall also consider personal and / or professional affiliations that may cause an actual or potential conflict of interest as they make appointments to boards or committees. The Town Council may forgo the Appointments Committee process pursuant to Chapter 4 Boards and Committees 4-1-2.

4. The Appointments Committee shall review attendance records to ensure that citizens seeking reappointment have been active members. Attendance records shall be maintained for each standing board and committee. Staff members shall be responsible to ensure the maintenance of attendance records. Issues relating to non-attendance of a board member shall be reported to the Town Manager by the staff member.
5. Citizens may serve on only one standing board or committee at one time.
6. Minutes of all board and committee meetings shall be prepared by staff. The Town will provide paid secretarial assistance only for regular meetings of the Zoning and Planning Boards.
7. Members of the Planning Board may not concurrently serve as members of the governing board of the Cape Elizabeth Land Trust.
8. The Town Council, as the appointive authority, reserves the right to collectively and individually use whatever additional factors it deems appropriate in considering the appointment or reappointment of a citizen to a town board or committee.
9. A schedule of board and committee meetings shall be provided to the Town Clerk. Following each meeting, minutes shall be provided to the Town Clerk. All minutes shall be transmitted electronically.
10. Employees of the Town of Cape Elizabeth may serve on standing boards and committees unrelated to their work for the town, except those boards which are quasi-judicial.

CHAPTER 4,
BOARDS AND COMMITTEES
(Amended eff. 10-10-2018, 3-10-2021, 08-11-2021)

SEC. 4-1-1. Establishment. The Town Council shall have the authority to form boards and committees as are required by statute, by town charter and ordinances adopted thereunder, and by Town Council vote as it shall deem necessary from time to time. The Town Council shall establish a charge and duties for each board and committee, as described below or, in the case of future boards and committees, at the time the board or committee is created. Except when boards and committees are designated by statute with authority independent of the Town Council, all boards and committees shall be advisory to the Town Council. The Town Manager shall assign staff support to boards and commissions as appropriate.

SEC. 4-1-2. Appointment. Board and committee members shall be appointed by vote of the Town Council. The Town Council shall consider board and committee appointments recommended by the Appointments Committee. The Town Council may forego the Appointments Committee process if the appointment is time-sensitive, is related to unique subject matter, or the committee charge designates representatives from existing committees. The Town Council may select a sitting board or committee member to serve another term, but there should be no expectation of reappointment.

SEC. 4-1-3. Removal and Vacancies. Board and Committee members may be removed by a vote of the Town Council for cause shown. When a Board or committee member resigns prior to the end of the term, the Appointments Committee shall recommend a replacement for the portion of the unexpired term.

SEC. 4-1-4. Additional Town Council appointments. The Town Council designates itself to perform the duties of the following boards. The membership and terms of these boards shall be the membership and terms of the Town Council.

- A. Board of Trustees of the Thomas Memorial Library
- B. Board of Trustees of the Riverside Memorial Cemetery
- C. Board of Directors of the Museum at Portland Head Light
- D. Board of Trustees of the Thomas Jordan Trust

SEC. 4-1-5. Operations of all Boards and Committees. All boards and committees shall perform their duties in compliance with the following provisions.

- A. Chair. Every board and committee shall elect or have designated by the Town Council a Chair of the board or committee. The chair shall be responsible for conducting meetings, for making reports to the Town Council upon request, and for coordinating with town staff meeting logistics. The chair shall serve for one calendar year on a standing board or committee or for the set duration of an ad hoc committee. A standing board or committee chair shall not serve more than two (2) consecutive years as chair. The chair shall be a full participating and voting member of the board or committee.
- B. Quorum. Board and committee meetings shall only begin when a quorum is present. A quorum is more than fifty percent (50%) of the total board or committee membership. Meetings sponsored by a board or committee when no vote will be taken are not required to have a quorum and may include, but are not limited to, site walks and public information meetings.
- C. Public Participation. Boards and committees shall conduct all business in compliance with the spirit and letter of the Maine Freedom of Access Act, as may be amended, and Town Council policy. Compliance shall include, but not be limited, to the following:
1. Agenda. Every meeting of a board or committee shall have an agenda that includes the name of the committee holding the meeting, date, time, and place of the meeting, subject areas to be discussed at the meeting, and the public participation allowed at the meeting.
 2. Announcement. Board and committee meetings shall be announced in ample time to allow public attendance, by posting on the town website and other methods as appropriate. A meeting agenda shall be available prior to the meeting. Board and committee meeting supplemental materials shall also be available for the public to review at a designated town office.
 3. Minutes. Minutes of all board and committee meetings shall be prepared by staff and posted to the town website. Minutes shall include the name of the board or committee meeting, date, time and place of the meeting, board and committee members present and a summary of any votes taken. The name and address of members of the public who speak at the meeting, including a brief summary of their comments, shall also be included. Board and committee minutes shall be reviewed and adopted at the next meeting, except for the last meeting of ad-hoc committees, when the minutes shall be reviewed and approved by the board or committee chair.

4. **Public Access.** All board and committee meetings shall be open to the public to attend. No board or committee business shall be conducted by board or committee members outside of board or committee meetings. Individual board or committee members may communicate with staff, and the board or committee chair is expected to communicate with staff. Communications relevant to board or committee business must be shared at the next meeting. Nothing in this provision shall prohibit a board or committee from holding an Executive Session as provided under state statute.
 5. **Public comment.** Except as specified in board or committee bylaws, public comment shall be allowed at every board and committee meeting. Boards and committees shall also limit oral public comment at meetings to assure completion of assigned duties. Boards and committees shall adopt public participation rules, using the Town Council's rules of public participation as guidance, and shall include public participation rules on each meeting agenda. Written public comments shall be directed to the board or committee staff, and staff shall distribute the comments to the board or committee members and shall also keep a copy in the public file. Any written comments, including email, received by a board or committee member regarding board or committee business shall be forwarded to staff for distribution to all members and added to the public file.
- D. **Conflict of Interest.** Board and committee members should avoid both actual and perceived conflicts of interest and bias. Determinations of conflict of interest and/or bias shall be determined in accordance with state statute. Board and committee members shall also be guided by the Code of Ethics for the Town Council.

SEC. 4-1-6. Standing Boards and Committees. Boards and committees with ongoing responsibilities and duties are considered standing boards and committees. Except where specifically designated by statute and/or town ordinance with authority independent of the Town Council, standing boards and committees are advisory to the Town Council.

- A. **Composition.** A standing board or committee shall be composed of a defined number of members who are residents of the town, unless otherwise specified in the board or committee description. Board and committee members shall be appointed for staggered, three (3) year terms expiring on December 31st. A board or committee member's service during an unexpired term shall not be included in any term limit. Board and committee members shall be volunteers without compensation.

B. Responsibilities. All standing boards and committees shall perform the following duties:

1. Bylaws. If any board or committee promulgates bylaws in addition to the provisions in Sec. 4-1-5, Operations of Boards and Committees, bylaws, including amendments, must be submitted to the Town Council for approval.
2. Meetings. Boards and committees shall meet as needed commensurate with their duties and responsibilities. When a board or committee will be meeting several times a year, an effort shall be made to establish a regular meeting schedule for the year to be posted on the town website.
3. Vacancy. All boards and committees shall notify the Town Clerk of any vacancy (not related to the end of a term) on the board or committee.

C. Upon Request Responsibilities. All standing boards and committees shall perform the following duties, and any other assigned tasks, upon Town Council request.

1. Goals. All boards and committees shall develop annual goals for submission to the Town Council.
2. Budget. All boards and committees shall submit to the town manager funding requirements for the next fiscal year.
3. Year end report. All boards and committees shall provide a calendar year end report.

SEC. 4-1-7. Establishment of Standing Boards and Committees. The following standing boards and committees are established. The Town Council shall appoint members with staggered terms of 3 years. Board and committee members are limited to serve no more than 3 consecutive terms without a break in membership. In addition to the responsibilities described below, boards and committees shall provide recommendations and policy changes as the Town Council may require from time to time.

A. Board of Assessment Review

1. Membership. The Board of Assessment Review shall consist of three members (3).

2. Purpose. The purpose of the Board of Assessment Review shall be to comply with the statutes of the State of Maine in the establishment of assessments for the purpose of taxation.

1. Membership. The Conservation Committee shall consist of seven (7) members.
2. Purpose. The purpose of the Conservation Committee shall be to act in the role of conservation commission as described in the statutes of the State of Maine, to be the steward of the Cape Elizabeth Greenbelt, and to advise on wetland and natural resource issues.
3. Duties. The Conservation Committee shall have the following duties and responsibilities:
 - a. Act as Steward of Town open space as described in the Conservation Ordinance, Chapter 18, Article V, Open Space Management.
 - b. Advise the Planning Board in the review of open space set aside as part of Subdivision Review, Subdivision Ordinance, Chapter 16, and in the review of Resource Protection Permits, Zoning Ordinance, Chapter 19.
 - c. Administer the Open Space Evaluation and Preservation Program, Chapter 18.
 - d. Prepare the Greenbelt Plan for Town Council consideration.

D. Diversity, Equity and Inclusion Committee (eff. 08-11-2021)

1. Membership. The Diversity, Equity and Inclusion Committee shall consist of seven (7) members. In addition, the committee may invite two student representatives from Cape Elizabeth High School and/or Cape Elizabeth Middle School to be non-voting representatives.
2. Purpose. The purpose of the Diversity, Equity and Inclusion Committee shall be to serve as a bridge between town government and the community to celebrate and advocate for diversity, equity and inclusion.
3. Duties.
 - a. Advise and recommend to the Town Council policies and practices to promote diversity, equity and inclusion. This shall include but not be

limited to review of policies and practices of town departments to promote anti-racism, equity and inclusion.

- b. Educate the community by developing programs, events and initiatives to promote diversity, inclusion awareness and anti-racism and provide ongoing guidance on approaches for training town officials and employees in order to eliminate explicit and implicit bias.
- c. Elevate community awareness and engagement by creating tools such as surveys in order to better understand community view and concerns about diversity, equity and inclusion and campaigns that promote Cape Elizabeth as a town that is a welcoming and respectful place to live, work and visit.

E. Firing Range Committee

- 1. Membership. The Firing Range Committee shall consist of five (5) members.
- 2. Purpose. The purpose of the Firing Range Committee shall be to make recommendations to the Town Council regarding licensing of shooting ranges as conferred in the Shooting Range Ordinance, Chapter 24.
- 3. Duties. The Firing Range Committee shall have the following duties:
 - a. Review license applications and inspect firing ranges in accordance with the Shooting Range Ordinance, Chapter 24.
 - b. Recommend rules and regulations for shooting ranges for Town Council consideration.
 - c. Review complaints.

F. Fort Williams Park Committee

- 1. Membership. The Fort Williams Park Committee shall consist of seven (7) members.
- 2. Purpose. The purpose of the Fort Williams Park Committee shall be to advise the Town Council on policies for Fort Williams Park.
- 3. Duties. The Fort Williams Park Committee shall have the following duties:

- a. Recommend policies regarding use of the park.
- b. Prepare or update a master plan or special reports for park improvements.
- c. Review any special event proposed for Fort Williams Park in accordance with the current Group Use Policy.

G. Personnel Appeals Board

1. Membership. The Personnel Appeals Board shall consist of three (3) members.
2. Purpose. The purpose of the Personnel Appeals Board shall be to consider appeals as provided for in the Personnel Code, Chapter 3, and any collective bargaining agreement that may confer such jurisdiction.
3. Duties. The Personnel Appeals Board shall have the following duties and responsibilities:
 - a. Hold hearings as provided for in the Personnel Code, Chapter 3.
 - b. Hold hearings as provided for in collective bargaining agreements when jurisdiction has been conferred.

H. Planning Board

1. Membership. The Planning Board shall consist of seven (7) members.
2. Purpose. The purpose of the Planning Board shall be to advocate that development of private and public property be done in an orderly manner that protects the public health, safety and welfare.
3. Duties. The Planning Board shall have the following duties:
 - a. Exercise and perform such rights, powers, and duties as are conferred or imposed under the provisions of the statutes, local ordinances, and regulations thereunder, and as the same may from time to time hereafter be amended.
 - b. Advise the Town Council in the amendment of the Zoning and Subdivision Ordinances, and other ordinances upon request.

- c. Advise the Town Council, upon request, on short and long-term planning policies.
- d. Advise the Town Planner on planning procedures and public participation efforts.

I. Recycling Committee

- 1. Membership. The Recycling Committee shall consist of seven (7) members.
- 2. Purpose. The purpose of the Recycling Committee shall be to promote recycling of solid waste in the community, provide environmental stewardship and protect the environment.
- 3. Duties. The Recycling Committee shall have the following duties:
 - a. Recommend policies that increase reuse and recycling in the community and promote environmental stewardship.
 - b. Conduct public education and promotional efforts to increase recycling.
 - c. Monitor recycling trends and changes in the solid waste industry.
 - d. Establish policies to manage the Bottle Shed Charitable Donation Program and determine charitable disbursements. (eff. 3-10-2021)

J. Energy Committee (eff. 10-10-2018)

- 1. Membership. The Energy Committee shall consist of seven (7) members.
- 2. Purpose. The purpose of the Energy Committee shall be to promote municipal and community energy efficiency, conservation, and sustainability goals.
- 3. Duties. The Energy Committee shall have the following duties and responsibilities:
 - a. Make recommendations to the Town Council of management approaches, policies, programs, and techniques now used by other municipalities in Maine and elsewhere that advance municipal and

community energy efficiency, conservation, and sustainability goals.

- b. Research, evaluate and recommend energy options that implement goals. Evaluation shall include an analysis of anticipated energy cost savings and return on investment.
- c. Conduct public education and promote energy efficiency, conservation, and sustainable energy efforts and opportunities in our community.
- d. Collaborate with neighboring communities to pursue environmental sustainability and energy efficiency.

K. Riverside Cemetery Committee

- 1. Membership. The Riverside Cemetery Committee shall consist of three (3) members.
- 2. Purpose. The purpose of the Riverside Cemetery Committee shall be to advise the Town Council on policies of Riverside Memorial Park.
- 3. Duties. The Riverside Cemetery Committee shall have the following duties and responsibilities:
 - a. Administer management policies that preserve the park as a respectful place for burial of town residents.
 - b. Monitor and manage capacity needs of the cemetery.
 - c. Prepare and update the master plan.

L. Thomas Memorial Library Committee

- 1. Membership. The Thomas Memorial Library Committee shall consist of seven (7) members.
- 2. Purpose. The purpose of the Thomas Memorial Library Committee shall be to advocate for a library that provides a wide range of services and enrichment opportunities for the community.
- 3. Duties. The Thomas Memorial Library Committee shall have the following duties and responsibilities:

- a. Advise the Library Director on matters of the library, such as the collection, services, programs, facilities, and policies.
- b. Work cooperatively with groups that seek to assist the library. Committee members may, upon request, serve on independent boards whose purpose is to support the library.

M. Board of Zoning Appeals

- 1. Membership. The Board of Zoning Appeals shall consist of seven (7) members.
- 2. Purpose. The purpose of the Board of Zoning Appeals shall be to provide property owners an opportunity to seek relief from the provisions of the Zoning Ordinance, as required by the statutes of the state of Maine, or the decision of the Code Enforcement Officer.
- 3. Duties. The Board of Zoning Appeals shall have the following duties and responsibilities:
 - a. Exercise and perform such rights, powers, and duties as are conferred or imposed under the provisions of the statutes and the Zoning Ordinance, Chapter 19, and as the same may from time to time hereafter be amended.
 - b. Consider appeals, applications for special permits, and interpretations of the Sewer Ordinance, Chapter 15 and the Stormwater Ordinance, Chapter 25.

SEC. 4-1-8. Ad Hoc Committees. Committees formed by the Town Council to complete defined tasks and then be disbanded are ad hoc committees. The Town Council may create an ad hoc committee as needed. When creating an ad hoc committee, the Town Council shall adopt a committee charge that includes the name, composition, and purpose of the committee, tasks to be completed, a deadline for completion of committee work (which may be extended by the Town Council), and direction to the Town Manager to assign staff support as needed. Ad hoc committees shall perform their duties in compliance with Sec. 4-1-5, Operation of Boards and Committees.
