

TOWN OF CAPE ELIZABETH MEETING MINUTES

Meeting: Energy Committee
Date: Thursday, March 16, 2023
Time: 7pm
Place: Jordan Conference Room, Town Hall

Roll Call

Present:

Richard Parker
Sam Milton
David Bagdasarian
David Kane
Vince Faherty
Niko Dietsch
Ian Sample

Absent:

John Voltz

Public Comment

- Sam motions to approve previous minutes → all in favor
- Old biz and action items → Dave, the folder for working docs is up on the EC website, send pdfs to EC email and they will get put into that folder...If we specify what we want from GPCOG, they can pass on data to use and we can store that in that folder
- Richard asks Dave B about the Encore supplemental solar offer that was presented at the time of the original Encore contract → The town doesn't have recollection of the offer but suggest this group seek out our own for review.
- Set EC workshop for March 30 – Climate planning review
- Richard, we need to come up with a charge for the committee that expands into environmental → that will be the part of the workshop, to then present to TC
- HS Tech Integrator, Tom Farmer, head of the environment club → Discussion on the interest and projects his students do and how they could possibly support this committee's work
- Nico talked about grant money that could help fund work of the committee
- Solar update, encore is meeting with and working with panning board. Everything is moving forward well enough.

- CMP has 2 rates based on usage, discussing around that...\$800 + you save money → could be worthy topic for a Cape Courier → Maybe EC should have an ongoing section → Maybe the HS could write it and the EC could pick topics and act as the editor.
- EV additional signs, more needed, strategic placement
- Dave mentions the Town Manager has an appetite for more EV chargers

Minutes

Next Meeting:

- April 20 @ 7pm Jordan Conference room, Town Hall

Public Comment

- None

Adjournment

- At 8:56 PM, Sam makes motion to adjourn – 2nd by Nico, all in favor.

Respectfully Submitted,

David Bagdasarian
