Minutes

- ☐ John moves to approve the minutes
- ☐ GPCOG went over the stages of the project – We are in the data-gathering stage currently
- ☐ Part of this initial phase is a community outreach event; John V has taken on the task of securing a date.
- ☐ Jeanie Smith-Brock spoke on issues in town related to transportation, biking, infrastructure, and public health. Touching on issues such as improving bike safety, the need for bike racks in public places, the impact of biking on public health, and potential ways to encourage biking as a mode of transportation. The group also discussed existing infrastructure and future bike-friendly measures related to the Climate Action Plan.

- ☐ The committee then discussed the solar energy project, emphasizing the importance of understanding the contract terms, permit approvals, and potential cost savings.
