Old Business

- [III](#) - Athletic Philosophy and Beliefs
 - [III-R](#) Procedure

Policy JJI was last reviewed in 2007. The policy was changed to address all extra-curricular activities, including athletics. The belief statements have been removed from the policy and will be placed in extra-curricular notification documents. Additional language has been added to bring clarity to the intent and purpose of extracurricular activities at each level. The Committee recommends including JJI-R in the Policy Manual, as it provides clear guidance on the administrative structure and athletic teams organization. Comments were received during the First Reading at the March 11th School Board meeting. Comments were also received regarding Procedure JJI-R. The Committee will review and consider comments.

- [KCD](#) - Public Gifts/Donations to the School

Policy KCD was last reviewed in 2016. The Business Manager is recommending an adjustment to the gift value that requires School Board approval for acceptance. In order to bring alignment between policies, the Committee revisited the threshold amount of a donation needing Board approval. The policy language was revised to ensure that the public is noticed when the school department receives a gift or donation that requires a reciprocal action. This would be done at a public meeting of the School Board. First Reading took place at the March 11, 2025 School Board meeting. No comments have been received.

- [IJO](#) - School Volunteers

Policy IJO was last reviewed in 2017. Sarah Gagne has recommended additional language that aligns with current practice and clearly addresses the prohibited practice of the capturing of photos and videos by our volunteers. First Reading took place at the March 11, 2025 School Board meeting. No comments have been received.

- [BCA](#) - Board Ethics
 - MSMA [BCA](#) - Board Ethics

Policy BCA was last reviewed in 2013. Although this policy is not required, it is recommended that the School Board Manual includes a statement of ethics. The Committee reviewed the MSMA sample language and recommended

changes to bring greater clarity to the policy. First Reading took place at the March 11, 2025 School Board meeting. No comments have been received.

New Business

- [BEC](#) - Executive Session
 - [BEC-E](#)

Policy BEC was last reviewed in 2013. The accompanying evidence document was deleted from the policy manual in 2013. It is recommended that the document be readded to the Policy Manual and change from evidence (E) to procedure (R). The Committee will consider language additions and deletions that clarify stature requirements in both the policy and accompanying evidence document.
