

*Our schools will provide a supportive learning environment in which physical, social, and emotional well-being are valued and promoted.*

*Our students will be personally responsible, aware, empathetic, and engaged local and global citizens.*

*Our schools will value, promote, and celebrate multiple pathways and definitions of success.*

*Our schools will be safe and effective facilities. They will be updated and maintained to meet the needs of students and staff in accordance with long-term financial planning.*

*The school department will prioritize environmental responsibility, including stewardship and sustainability.*

*Adjourn Workshop* Time: \_\_\_\_\_
