

Strategic Plan Goals:

Our schools will provide a supportive learning environment in which physical, social, and emotional well-being are valued and promoted.

Our students will be personally responsible, aware, empathetic, and engaged local and global citizens.

Our schools will value, promote, and celebrate multiple pathways and definitions of success.

Our schools will be safe and effective facilities. They will be updated and maintained to meet the needs of students and staff in accordance with long-term financial planning.

The school department will prioritize environmental responsibility, including stewardship and sustainability.
