Strategic Plan Goals:

Health and Well-Being

Our schools will provide a supportive learning environment in which physical, social, and emotional well-being are valued and promoted.

Global Competency

Our students will be personally responsible, aware, empathetic, and engaged local and global citizens.

Multiple Pathways and Definitions of Success

Our schools will value, promote, and celebrate multiple pathways and definitions of success.

Safe, Sustainable, and Effective Facilities

Our schools will be safe and effective facilities. They will be updated and maintained to meet the needs of students and staff in accordance with long-term financial planning.

Environmental Responsibility

The school department will prioritize environmental responsibility, including stewardship and sustainability.
