Excerpt - Town Council Draft Minutes June 12, 2023

Item #92-2023 Proposed Bond Order to Fund the Costs of Design & Engineering for the School Project

Public Comment

Tom Dunham, 11 Beckys Cove Lane is the bond for anticipated need or already-spent funds.
Usually this is not a bond, but pay-as-you-go. Come up with a reasonable budget and then proceed to engineering and soft costs.

John Voltz, 33 Philip Road urges swift passage of the bond amount. Have been impressed with the committee's thoughtful work.

Tim Dew, 56 Stonegate Road haven't heard the SBAC talk about this. This is a surprise, \$1M you have to go to the town, this is kind of silly.

Tim Thompson, 6 Pine Ridge Road there is confusion to where the initial \$400,000 estimate came from to now a suggested \$950,000 bond. Starting with a budget at the beginning makes a lot of sense.

Mary Ann Lynch 2 Olde Colony Lane this item has never come up with the SBAC. Are decisions being made outside of the committee? Before voting, this should go before the SBAC.

Moved by Penelope A. Jordan and Seconded by Caitlin R. Jordan
ORDERED, the Cape Elizabeth Town Council approves the proposed bond order to fund the costs of design and engineering for the school project entitled, Vote authorizing expenditures of up to \$950,000 for cost of design and engineering for alternate school plans for Pond Cove/Middle Schools and the issuance of bonds therefore.

(5 yes) (1 no Councilor Reiniger)
